

## Immunization Policy Exemption Request Form

Vaccine-preventable diseases can cause serious illness and even death, which is why The College of Idaho strongly supports immunization as one of the easiest and most effective tools in preventing the spread of serious infectious diseases.

In order to obtain an exemption to The College of Idaho's Immunization Policy, the student must submit this Exemption Request Form to the Wellness Center.

*Please note that should an outbreak occur on campus, students with exemptions or incomplete immunization records may be restricted from attending classes or other College activities, and/or removed from residence halls until there is no further immediate risk to the student. No refunds will be given in this case.*

Request for exemption (*handwritten by the undersigned student*):
