

Your 2019-20 financial aid application was selected for review in a process called “Verification.” The College of Idaho (C of I) is required by law to confirm the information you/your spouse (if applicable) reported on your FAFSA. To verify that you provided accurate information, your FAFSA will be compared with your 2017 federal tax or W2 information, this worksheet, and other requested documentation. If there are differences, we may need to make corrections to your FAFSA and/or ask for additional information.

1. If you have questions about this worksheet, please contact the Yote Stop at 208.459.5400.
2. Your eligibility for financial aid at C of I cannot be confirmed without this worksheet and other requested documentation.
3. Please submit this worksheet along with all other requested documentation as soon as possible (some forms of financial aid are time-sensitive, students completing the verification process as early as possible may be eligible for more grant aid) so we may complete the verification process and notify you of your eligibility for financial aid at C of I.
