Students are emailed login credentials for their C of I Portal once they submit their application.

Students can view their missing items checklist, application status, and financial aid awards in the Application Portal.

3

SUBMIT SUPPLEMENTAL MATERIALS

An application is not complete until all required items have been submitted and received by the Office of Admission.

OFFICIAL TRANSCRIPT

Counselors can submit transcripts digitally, via post or fax, or email them to admission@collegeofidaho.edu.

ACT/SAT SCORES OR TEST OPTIONAL SUBMISSION*

Test Scores may be sent from the counselor, from the testing agency, or applicants may download their Student Score Report ensuring their full name and date of birth is included. If a student chooses to apply Test Optional, they will receive additional information on submission requirements to complete this part of their application.

A LETTER OF RECOMMENDATION (OPTIONAL)

This can come from a teacher or counselor. Letters may be submitted through the Common Application, emailed to admission@collegeofidaho.edu, or students may upload them to their Application Portal.

* WHAT IS TEST OPTIONAL?

A student chooses to apply Test Optional by marking on their application whether or not they want to use their test scores in the admission process. Once a student submits their application, they cannot change their decision. When a student applies Test Optional, instead of standardized test scores, The College of Idaho considers the following factors for both admission decisions and academic merit scholarships:

- Recalculated Academic GPA
- Strength of Curriculum
- Additional materials to complete Test Optional process

If available, a student may still submit their standardized test scores for advising purposes and course placement.
