

Dear College of Idaho Community,

We hope everyone is staying healthy by utilizing good hygiene and social distancing practices. However, in order to make sure we are supporting anyone in our community who might become sick, and to limit exposure to others, we have developed an online [form](#) for faculty, staff, and students to self-report if they are 1) experiencing COVID-19 symptoms (fever, cough, shortness of breath), 2) experiencing these symptoms and been tested, but waiting results, or 3) been tested, and notified of a positive result.

This [COVID-19 Self-Reporting Form](#) will be placed on our [COVID-19 webpage](#) for quick reference, if needed.

Be well,

Paul Bennion, Vice President for Student Affairs & Dean of Students

Nancy Johnson-Cassulo, Human Resources Director

Cynthia Mauzerall, Director of Health & Wellness Center
