

Dear Graduates and Candidates for Graduation,

The 2020 Commencement Ceremony is almost upon us and we are excited to celebrate this momentous occasion with you, your family, and friends.

Commencement exercises will be held Saturday, May 23rd at 10:00 am in the Morrison Quadrangle followed by a reception for you, your family, and friends in Finney Forest. There is no limit on the number of family and friends who may attend and tickets for admission are not required. Below is the schedule of events and instructions for you to follow the day of Commencement:

Department Photos to be taken in the Amphitheatre (*In Langroise if inclement weather occurs*):

8:00 a.m.	Department Photos (Final schedule confirmed in April)
8:50 a.m.	All Senior photo in Amphitheatre
9:00 a.m.	Seniors line up in JAAC

Processional Line-up:

9:00 a.m. Seniors report to the J.A. Albertson Activities Center in the gym for the processional line-up. Because you will be receiving your actual diploma as you walk across the stage, **lining up properly is important, so please be in the J.A. Albertson Activities Center on time.** Your names will be taped on the upper deck in alphabetical order. Please find your name on the floor and stand next to it. Marching and seating instructions will be given just before the processional begins. There is no rehearsal.

Please remember you must be in regalia (caps and gowns) in order to participate.

10:00 a.m. Processional Begins

Description of Commencement Ceremony:

- Processional - Graduates march in a slow procession to the seats in the space in front of Boone. Volunteers will be along the route to guide you to the right seats.
- Music and Speeches will occur.
- The Vice President of Academic Affairs, Dr. Douglass, will ask you to stand for the conferring of your degrees, after which you will sit down again. You will then be asked to come forward and receive your diplomas.
- Time to receive your diplomas. Your row will stand and walk to the steps where there will be a "WAIT HERE" line. When Dr. Douglass calls your name (remember you need to stay in alphabetical order so diplomas correspond to the right person's name being called!!) you will walk in front of the table and receive your diploma from one of the Co-Presidents. The photographer will take your picture after you walk down the ramp – stop on the taped "X" for your photo. When you get to your seat, please sit down.

- **Recessional** – At the end of the ceremonies, you will march out following a banner carrier through a faculty honor guard. We ask that you continue the recessional until you reach Finney Forest, at which point you may disperse.

Weather:

In case of inclement or threatening weather, a decision will be made before the baccalaureate ceremony to hold commencement inside the J.A. Albertson Activity Center rather than on the quadrangle. No seating limitation is anticipated for an indoor ceremony; tickets for admission will not be required.

Dress Code:

Cap and gown are required to participate. You should wear lightweight, comfortable clothing underneath your gown, keeping in mind this is a formal ceremony. Please make sure you steam or press the gown prior to the ceremony. The cap should be worn so that the Mortarboard is level. It should not be tilted to the back or side of the head. The crown should be approximately one inch above the eyebrow. The tassel starts on the right side and should remain there until one of the Co-Presidents gives instruction to move it to the left. Men should remove their caps during the playing of the National Anthem.

Important Reminder:

The Commencement ceremony is much the same at the College as it was under Dr. Boone. It is the most important event of the year for The College of Idaho because we get to honor you and your achievements at this traditional ceremony. Please take time to really enjoy it and live in the moment. You deserve it!!

Please do not hesitate to contact the Registrar's office at registrar@collegeofidaho.edu or 208.459.5400 with any questions regarding the ceremony.
