

STATE OF IDAHO REBOUNDS - STATE, LOCAL, AND TRIBAL COMMUNITY SUPPORT GRANT

The College applied for and was awarded funding under the State of Idaho Rebounds - State, Local, and Tribal Community Support Grant.

- Funding was provided to reimburse the College for expenditures incurred due to a disruption of campus operations from the coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses.
- The College received a total of \$200,000 from the State of Idaho on February 1, 2021.
- The College applied all the funds received as a partial reimbursement against cost incurred in providing student refunds for food and housing due to the COVID-19 campus closure.
