

The College applied and was awarded funding under Section 18004(e) of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The provisions of the Certification and Agreement require the College to post the following information:

- The College has signed and returned to the Department of Education the Certification and Agreement, and it intends to use, no less than 50 percent of the funds received to provide Emergency Financial Aid Grants to students.
- The College is expected to receive \$809,508 from the Department of Education pursuant to the institution's Certification and Agreement for Emergency Financial Aid Grants to Students.
- The College has not disbursed any grant funds at this time, but is developing an allocation approach to guide in the distribution of the Emergency Financial Aid Grants to students.
- The College is developing an allocation approach that will quantify the total number of students at the institution eligible to participate in the program.
- The College's pending allocation approach will quantify the total number of students eligible to receive an Emergency Financial Aid Grant.
- The College is developing a method to determine which students will receive Emergency Financial Aid Grants, and the amount of those grants. In general, the College will award students based on student financial need. The College is reviewing Title IV eligible students that have filed a FASFA with the Department of Education. Early indications suggest a tiered approach with a graduated award amount based on the student's expected family contribution. Any residual funds would then be awarded based on a supplemental grant application process, whereby a qualifying Title IV eligible student could request funding for expenditures due to a disruption of campus operations from the coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses.
- The College is developing and will release instructions, directions, or guidance to students concerning the Emergency Financial Aid Grants.
