

INSTRUCTOR: BUSINESS & ACCOUNTING DEPARTMENT

The College of Idaho invites applications for a Business Generalist Instructor position in the Department of Business & Accounting; the appointment begins in Fall 2018. The ideal candidate will hold a Doctorate or Master's degree and have a strong passion for teaching within an integrated liberal arts framework and the College's innovative PEAK curriculum. Preference will be given to candidates with College teaching experience and industry experience is highly desirable.

Areas of Need: The College currently offers majors in [business administration](#), [marketing & digital media](#), and a 150-hour [undergraduate accounting program](#). We seek a candidate with experience and a strong desire to provide instruction in a variety of business disciplines that may include: Entrepreneurship, Social Entrepreneurship, Management, Introduction to Business, and a Business Capstone course. Typical class size is 24-35 students. Please address your strengths in any of the teaching areas that pertain to your experiences and interests.

Responsibilities: This is a nine-month position, which will include flexibility in teaching undergraduate business courses. Typical course load is 3-1-3, or 21- 24 credits. Additional duties include academic advising, service to the College and department, and contribution to accreditation.

Qualifications:

- Doctorate from an accredited institution of higher education, with emphasis in business, management, economics or closely related field. *OR*
- Master's degree from an accredited institution of higher education required, with emphasis in business, management, economics or closely related field.
- For those candidates whose degrees are non-business disciplines, substantive work experience in business will be strongly preferred.
- College teaching experience and industry experience highly desirable.
- Commitment to undergraduate teaching in a liberal arts setting
- Collegiality and flexibility to work closely in a small department
- Innovation and adaptability in using technology to achieve learning outcomes

Candidates must be authorized to work in the United States as of the expected hire date and throughout the date of the contract without sponsorship from The College of Idaho.

Founded in 1891, The College of Idaho is the state's oldest private college. The C of I has a national reputation for academic excellence and for preparing successful graduates, including seven Rhodes Scholars, three governors, four NFL players and countless business leaders and innovators. The College is located on a beautiful campus in Caldwell, a community of 50,000 located in Idaho's vibrant Treasure Valley. Campus is just 30 minutes from downtown Boise, a thriving city with a multitude of dining and entertainment options including the Idaho Shakespeare Festival, the Boise Philharmonic Orchestra,

professional sports and more. The area also offers world-class opportunities for hiking, camping, fishing, skiing, mountain biking and whitewater rafting.
