

Lecturer in Mathematics

The Department of Mathematics and Physical Sciences at [The College of Idaho](https://www.collegeofidaho.edu/) invites applications for a Lecturer position beginning Fall 2022. This is a long-term position filling a permanent need. Duties include coordinating multi-section service courses and teaching in both lower- and upper-division mathematics. The department seeks candidates with a graduate degree in mathematics or related field to join our community of active learners. Candidates from marginalized or underrepresented communities are especially encouraged to apply. The successful applicant should demonstrate a commitment to excellence in teaching undergraduate courses in a diverse liberal arts context.

A complete application includes

- a cover letter
- curriculum vitae
- a statement of teaching philosophy that clearly articulates a commitment to liberal arts education and a demonstrated commitment to representation, inclusion, and equity (2 pages maximum)
- three references, including at least one who can address quality of teaching in detail
- graduate transcripts (unofficial transcripts are acceptable for now)

Review of completed applications will begin immediately. Please submit materials via email to hr@collegeofidaho.edu with Subject: MAPS Search. Applications will be accepted until a suitable candidate is selected.

Candidates must be authorized to work in the United States as of the expected hire date and throughout the date of the contract without sponsorship from The College of Idaho.

With over 125 years of history, The College of Idaho is a regional and national leader in higher education. The College of Idaho is an [inclusive community](#) of exceptional learning that challenges the ambitious and forges pathways to success and purpose.

The College of Idaho is proud to be an equal opportunity employer. We are committed to attracting, retaining, and maximizing academic excellence through a diverse and inclusive workforce.
