TEP THREE:	My Notes	Career Personality Test What's your personality type? Take this test to learn which of 16 potential personality types you are. Based on personality type theory developed by Carl Jung, the MyPlan.com Career Personality Test will pinpoint your workplace strengths and direct you toward professions that best compliment your unique personality—we'll even rank-order 748 careers according to how well they match your personality!
To view your results for any of the assessments, click the title of the assessment on the green bar.		Career Interest Inventory Licensed! Why would you ever work in a profession that doesn't interest you? You'd be surprised at just how many people work in careers that don't truly interest them. The MyPlan.com Career Interest Inventory is based on the renowned work of Dr. Holland who theorized that people with the same or similar interests are often found in the same work environments.
	Pollum our career we others Polls Vote on Vote	Career Skills Profiler Licensed! The quickest route to job dissatisfaction is doing something that you're not good at. It's simple advice, but do something that you are good at! The MyPlan.com Skills Profiler helps you take a personal inventory of your skills and uses that information to help construct a career path. Whether you're looking to change careers or just getting started, the Skills Profiler will help you understand which careers match your skills.
	Free Assessment Take the Career Values Assessment Test for freet	Career Values Assessment ** Free ** What are your underlying needs and motivations? Does the career you're in (or thinking about going into) really satisfy those personal values? Take the MyPlan.com Values Assessment to ensure that your career path is in synch with your underlying values system. Best of all — it's free!
