AN ORDER

Allocating \$359 to the Chemistry Club for their celebration of Mole Day that takes place on the 23rd of October.

Introduced By: Senator Koshkimbayeva

- II. Mole day commemorates Avogadro's Number (6.02×10^{23}), which is a basic measuring unit in chemistry. This event was created as a way to foster interest in chemistry. Schools around the world celebrate Mole Day with various activities related to chemistry and/or moles.
- III. We will bake around 168 cupcakes (including around 24 gluten-free options) and frost them into periodic table, as well as have some of the blank so students can come and frost them as they wish.
