

ASSOCIATED STUDENTS OF THE COLLEGE OF IDAHO  
SR 1902

ASCI Senate

September 27<sup>th</sup>, 2018

SR 1902  
A RESOLUTION

**Resolving that Bon Appetite change the hours of the Library Café from 9:00 AM-1:00 PM in the morning and afternoon to the hours of 6:00 PM to 10:00 PM in the Evening**

Introduced By: Senator Sproule-Fendel

Sponsored By: Senator Heller, Senator Nikalje, Senator Crookham, Senator Stepleton

WHEREAS:

- I. Many students have expressed concerns over the current hours and wish to see them moved toward the evening
- II. Bon Appetite had these hours last year, so it should be possible to re-establish them
- III. The passing of this Resolution should take place after the first round of constituency meetings to properly gauge support
- IV. The Café and McCain properly meet coffee needs in the morning an afternoon
- V. The change would make the Café the sole Coffee provider after 9:00 PM, which is important for late nights studies
- VI. The lack of classes in the evening would make the Café a larger hub and would attract more student interest
- VII. The morning hours are not early enough to provide students with coffee before 8:00 AM classes

THEREFORE:

Be it resolved by the Senate of the Associated Students of The College of Idaho that Bon Appetite change the hours of the Library Café from 9:00 AM-1:00 PM in the morning and afternoon to the hours of 6:00 PM to 10:00 PM in the Evening
