Alumni: Because you are not a current student, you do not have a current YoteNet ID and password. Email CareerServices@collegeofidaho.edu in order to get your login information!

5) You will not be able to look for or apply for positions until you upload a resume. In order to do so, click here:

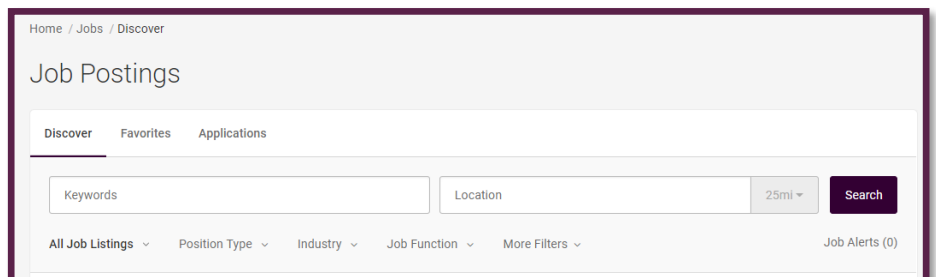

This button allows you to upload any materials for applications. This includes multiple resumes, CV's, cover letters, letters of recommendation, and more. Be sure to label each uploaded document with your first and last name followed by a description of the file (ie. "John Smith Resume").

If you want help with resume & cover letter development, please go to page 4.

6) Once you have uploaded a resume, you are now eligible to look at open positions. Under "Jobs" on the left hand bar, click "Discover". From there, you can filter postings by several criteria including position type (work-study, off-campus, on-campus, full-time, etc.), industry, and more.

QUESTIONS

PEAK Center
Hendren Hall
PEAKCenter@collegeofidaho.edu
(208) 459-5019

This page will give you an idea of strong vocabulary words to use in your resumes or cover letters.

Learn how to develop cover letters here.

An experience statement is a method to describe your previous job experience. Use this resource to help strengthen your resume.

This resource breaks down what should be included in a resume.

Remember, these resources do not take the place of an in-person appointment with the CEL! Please feel free to schedule a time to meet with us at CareerServices@collegeofidaho.edu to work on your resume or cover letter. These resources and appointments are also available for Yote alumni. Get in touch with the CEL for assistance with cover letter/resume development, mock-interviews, and more!
