Visiting Assistant Professor/Instructor in Mathematics

The Department of Mathematics and Physical Sciences at The College of Idaho invites applications for a Visiting Assistant Professor position for the 2019–2020 academic year. There is the possibility of renewal for a second year. The department seeks candidates who hold a doctoral degree in statistics, computer science, mathematics, or related fields. Candidates with Master's degrees may also apply. The successful applicant must demonstrate a commitment to excellence in teaching undergraduate courses in a liberal arts context. Duties of the position include teaching undergraduate courses in statistics, computer science, and/or mathematics.

A complete application includes

- a cover letter
- curriculum vitae
- a statement of teaching philosophy at a liberal arts college (2 pages maximum)
- three references, including at least one who can address quality of teaching in detail
- graduate transcripts

Candidates must be authorized to work in the United States as of the expected hire date and throughout the date of the contract without sponsorship from The College of Idaho.

Review of completed applications will begin immediately. Please submit materials via email to hr@collegeofidaho.edu with Subject: Stats/CS/Math Search. Applications will be accepted until a suitable candidate is selected.
